

Modernisation of Rivatex on track

Moi University Chairman of Council, Dr. Jeremiah Ntolo Ole Koshal, Vice - Chancellor, Prof Isaac S. Kosgey and Rivatex Managing Director, Prof. Thomas K. Kipkurgat, recently visited Germany, Austria and Switzerland to check on the progress of new machines for modernization of Rivatex. Rivatex is a textile plant owned by Moi University. The continuous range of machines are ready for shipment in December for the Processing Department.
